

The Freedom of Choice—Pump Options & Features

The Duplex Plus Series offers the most advanced microprocessor controlled chemical metering pumps from LMI, Walchem and Grundfos. Pumps offered as standards are the LMI 9 Series, Walchem EW Series and the Grundfos DME models. All pump heads are PVDF for maximum flexibility of use. Other materials and metering pumps are available upon request.

Feature	LMI	Walchem	Grundfos
Accepts 4-24mA Control Signal	♦	♦	♦
Accepts External Pulse Control Signal	♦	♦	♦
Accepts Feed Verification Device	♦	♦	♦
Anti-Cavitation Function	—	—	♦
Calibration Mode	—	♦	♦
Clear Face Cover	—	♦	—
Constant Maximum Stroke Length	—	—	♦
Control Cables	♦	♦	♦
Counters	—	—	♦
Digital Display	♦	♦	♦
IP67 Construction	—	♦	—
Keypad Lock	—	♦	♦
Maximum Strokes Per Minute	100	360	180
Mutli Function Discharge Valve	♦	♦	♦
Programming Keypad	♦	♦	♦
Quick Prime Feature	♦	♦	♦
Remote Start / Stop Control	♦	♦	♦
Scheduled Feed Timer	—	—	♦
Solenoid Drive	♦	♦	—
Stepper Motor Drive	—	—	♦
Switch-Mode Power Supply	—	—	♦
Turn Down Ratio	100:1	1800:1	1000:1
Two Year Warranty	—	♦	♦
Variable Stroke Rate	♦	♦	♦
